

# Ducks in the Mill Pond

traditional American

arranged for dulcimer by Dusty Thorburn

Ducks in the millpond, geese in the clover,  
Fell in the millpond, wet all over.

Lawd, Lawd, gonna get on a rinktum,  
Lawd, Lawd, gonna get on a rinktum.

Ducks in the millpond, geese in the clover,  
Jumped in the bed, and the bed turned over.

Ducks in the millpond, geese in the clover,  
Tell them pretty girls come on over.

Ducks in the millpond, geese in the ocean,  
Hug them pretty girls if I take a notion.
